Dear Kurt:

Re: Albion-Sheridan Township Landfill Site
Albion, Michigan

This is to confirm that we will meet on March 17 at 11:00 a.m. CDT in Chicago with you and Jon to discuss the issues raised in our recent correspondence. I am enclosing copies of letters I have written to Cooper and Corning requesting that they provide us with information so that we can evaluate the specifics of what is being proposed for this site.

Having this information prior to our meeting on the 17th would be a big help in discussing the matter on the 17th. If you are aware of any information that can be provided to us, your assistance in getting it to us would also be appreciated.

With regard to the comments in your letter of February 26, we expect to discuss those points further on our meeting on March 17.

If you have any questions, please advise.

Yours very truly,

BULLEN, MOILANEN,
KLAASEN & SWAN, P.C.
